The Chesapeake City Ecumenical Association Abbreviated History & Current Programs

Over 20 years ago, several churches from various denominations in Chesapeake City came together recognizing there were community needs which could not be met through conventional social service programs. They began by providing a small food pantry and emergency funds, from within their own budgets. They also began interdenominational worship services during Lent and Advent.

Today the CCEA continues to address the ever-increasing needs, while developing and overseeing other ways to reach into the community as follows:

- ◆ The **Food Pantry** serves over 150 families per year, providing approximately one week of assorted, non-perishable food goods & daily care products (when available)
- ◆ The **Generation Station** provides a Christian based after school program (free of charge) to middle school children which includes homework tutoring; social inter-action; skills building and access to programs such as Boys/Girls Scouts.
- ◆ **Emergency Funds**...special funding for needs such as rent, utility payments and prescription drugs for seniors, home repairs (small scale).
- ◆ **Heaven's Helpers**—In 2010 a storage unit was donated thus starting Heaven's Helpers. Donated household items are collected and distributed to those in need.

- ◆ **Vacation Bible School**...open to children from across the Chesapeake City area, a week of fun and learning. This program has grown to approximately 100 participants each week and a huge number of volunteers to organize, supervise and execute.
- ◆ The **“Bud” McKee Scholarship Fund** for Adult Continuing Education was established in partnership with Cecil College in August of 2008. Funding is dependent solely on the generosity of CCEA donors. The scholarship is awarded to an adult currently in or returning to the workforce. Cecil College seeks who are now serving or have served in a volunteer capacity. This scholarship is awarded annually as funds permit.
- ◆ **Bag of Hope**...the CCEA provides the annual dues to the Maryland Food Bank, thus enabling approximately 30 families to purchase groceries through and at cooperative pricing.

90% of all funding received goes directly to the ministries listed above. Our only overhead expenses are for a telephone, postal box and postage as needed. We continue to thank God for the opportunity to continue serving. We thank our member churches, local businesses, civic groups, community schools and private donors for the generosity that enables us to keep these programs active.

Deborah Forsythe

Mission Statement: *To serve as a bridge in the service gaps of our community, as they relate to financial emergencies, hunger and care.*

Vision Statement: *To connect the churches of Chesapeake City through our Christian responsibility of "caring for our neighbor". This to be done through a range of services including but not limited to financial aid, a food pantry and youth related programs. To continually seek to improve those services we currently provide and to grow both as an organization and in the ministry field as community needs are identified.*
