

**Generation Station Awards  
from Cecil Partnerships**

**Making It Happen (2001)**

*For promoting innovative programs that benefit children and youth*

**Making It Happen (2005)**

*For consistently using community support and collaboration to build a successful program that benefits the youth of lower Cecil County*

**Above and Beyond (2005)**

*For the tireless giving of time to the youth of the Generation Station*

**Dare to Soar (2010)**

*In recognition of unwavering commitment to meet the needs of youth in Cecil County by building a program that prepares youth with a foundation to become successful, contributing members of our community*

*Calling this program a "safe haven" is an understatement because the work, time, services and commitment given to the children and families can only come from caring, committed, service oriented people. Being a careful and watchful parent, this has been the only program that I have ever felt comfortable and confident enough as a place to leave my children afterschool.*

*A Parent Testimony*

*Enriching the lives of people in the community*

# **Business Matching Gift Program**

The Generation Station Youth Center (GSYC) has been serving the children, youth and families of Southern Cecil County for over 10 years. The GSYC has become a model after school program and won numerous awards for its positive impact on the community. It has achieved this with support from the United Way of Cecil County, the Cecil Partnerships for Children, Youth and Families, individuals, churches and services organizations.

Your business has the opportunity to join us in this effort by supporting us financially at one of the following levels:

\$50	Supporter
\$100	Sponsor
\$250	Promoter
\$500	Partner

**The United Way will match your contribution\* meaning that you can double your impact.** More importantly, you get the satisfaction of knowing that you are giving back to the community to help young people grow into responsible adults.

\*matching gifts limited to the first \$3000 in business contributions
