Christians United In  
Service to the Community

**The Chesapeake City Ecumenical  
Association Abbreviated History &  
Current Programs**

Over 25 years ago, several churches from various denominations in Chesapeake City came together recognizing there were community needs which could not be met through conventional social service programs.

Today the CCEA continues to address the ever-increasing needs, while developing and overseeing other ways to reach into the community as follows:

◆ **Bag of Hope** — the CCEA provides the annual dues to the Maryland Food Bank, thus enabling approximately 30 families to acquire groceries at cooperative pricing. Costs associated with groceries are funded by private donations and grants.

◆ The **Founders' Scholarship Fund** for Adult Continuing Education was established in partnership with Cecil College in August of 2008. Funding is dependent solely on the generosity of CCEA donors. The scholarship is awarded to an adult currently in or returning to the workforce. Cecil College seeks those now serving or has served in a volunteer capacity. This scholarship is awarded annually as funds permit.

◆ **Community Wellness Program** was established in 2013. The CCEA has initiated a program of health education for both groups and for individual counseling. Conducted by registered nurses this program will provide information with a spiritual dimension on living a healthy lifestyle. We will include topics such as health insurance options, nutrition and the importance of exercise. We will also be initiating routine monthly blood pressure monitoring within our member churches.

**Mission Statement:** *To serve as a bridge in the service gaps of our community, as they relate to financial emergencies, hunger, education and medical care.*

**Vision Statement:** *To connect the churches of Chesapeake City through our Christian responsibility of "caring for our neighbor". This is to be done through a range of services including but not limited to financial aid, a food pantry and youth related programs. To continually seek to improve those services we currently provide and to grow both as an organization and in the ministry field as community needs are identified.*

### Fiscally Responsible

84% of all funding received goes directly to the ministries listed above. Our overhead expenses include rent, utilities, postal box and postage as needed. We continue to thank God for the opportunity to continue serving. We thank our member churches, local businesses, civic groups, community schools, volunteers and private donors for the generosity that enables us to keep these programs active.
